

This time last year, we said it wasn't over.

Your eyes are our eyes

and your stories are our stories.

Keep speaking, Augustana,

and we'll be listening.

- The Augustana Observer

“We are Augustana,  
we are part of that pain.

I don't know all of the answers  
and there's certainly not one answer,  
and there's no one group that can fix this.”

- Dr. Sharon Varallo

Interviewed after the Title IX open forum in January 2018
